

Check out these **FAMILY FUN** animal adventures!

## January ZooVenture: Surviving Winter

Discover the animals that snooze, stay, and those that go away in order to survive the chilly winter months. Find out why we have winter and what snow is made of, all while participating in a variety of indoor and outdoor winter activities! Warm up with hot cocoa and take a peek at some of the zoo animals up close to see how they survive the winter.

Saturday, January 21<sup>st</sup> 2-3:30pm

## February ZooVenture: Snowsnakes

This American Indian game of skill is played in the snow with hand-painted wooden "snakes". Discover the facts and the legend behind this winter activity and try your hand at the game; how far will your snowsnake travel? Warm up inside after outdoor fun and meet some of the zoo's snakes.

Saturday, February 18<sup>th</sup> 2-3:30pm

## March ZooVenture: Predator-Prey

Did you know some animals are vegetarians? Within a food chain there are carnivores, omnivores, herbivores, and more! Can one live without the other? Examine how all are linked in the delicate circle of life.

Saturday, March 17<sup>th</sup> 2-3:30pm

## April ZooVenture: For the Birds

They're back! All of those birds that flew the coop last fall are starting to return. Have you forgotten which bird is which? Or maybe you would like to expand your bird knowledge. Learn how to identify some common birds, their calls, and what you can do to help them during their short northern vacation! Bring your binoculars and field guides if you have them. Meet some of the zoo's resident and wild birds.

Saturday, April 14<sup>th</sup> 2-3:30pm
